

Graduation Rate Task Force Project

January 21, 2014

The Project

Summarize the recommendations and findings of Arizona Ready's Graduation Rate Task Force and identify critical next steps for key actors and agencies.

My Background

- Private consultant based in Tucson, Arizona, subcontracting with LeCroy and Milligan Assoc.
- 30+ years experience in the field of educational program evaluation and student assessment
- Experience working at the state level in education reform efforts
- U.S. and international schools experience

The Process

- Analyze and synthesize the content of the six GRTF White Papers and related documents
- Conduct telephone interviews with selected task force members to identify critical actions and agents
- Develop summary report with key findings and recommendations, including critical “next steps”
